

I CAN WEAR MY GLASSES

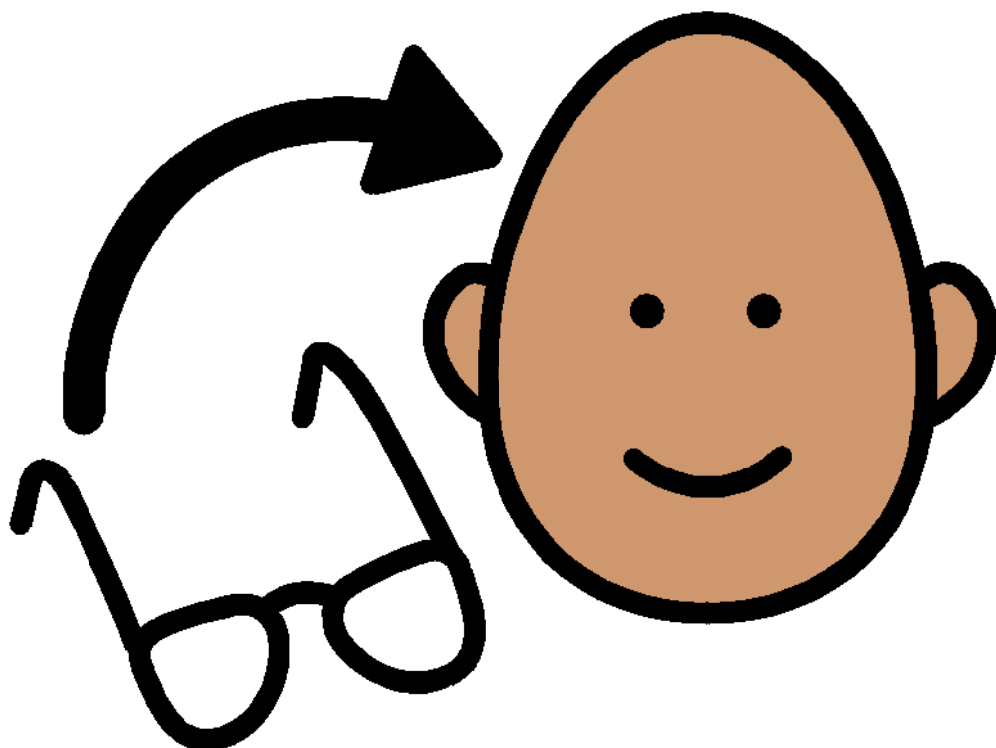

My glasses help my eyes to
see better.

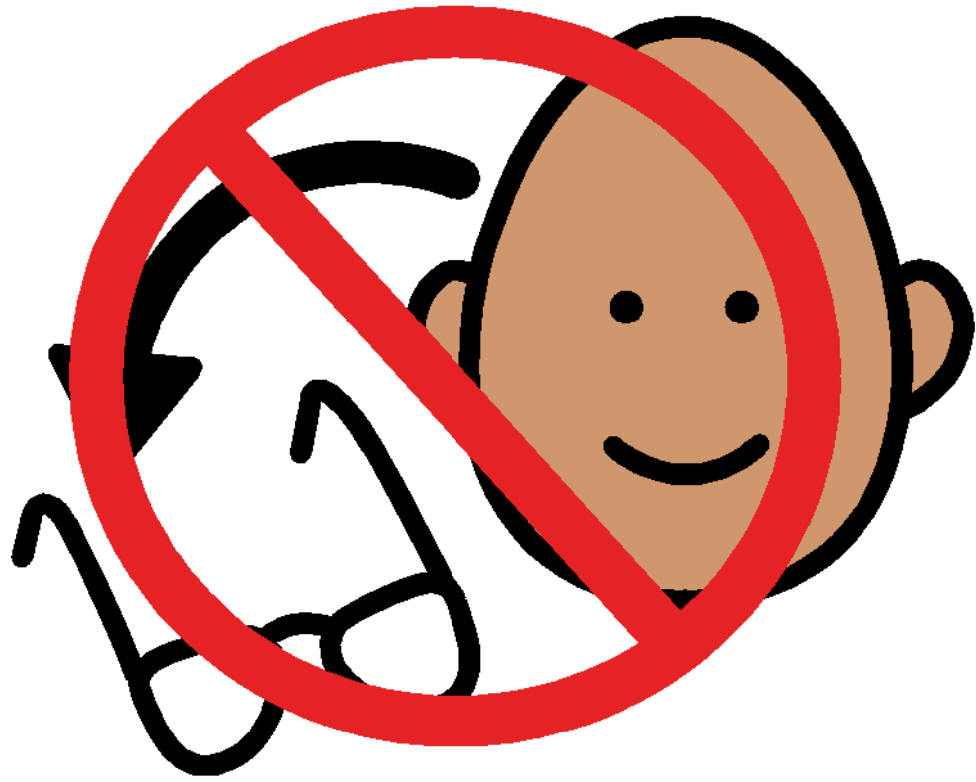

I am learning to wear my glasses.

2

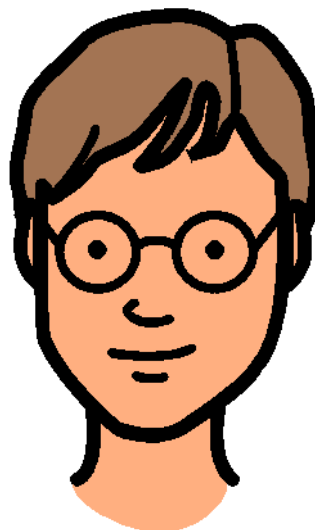

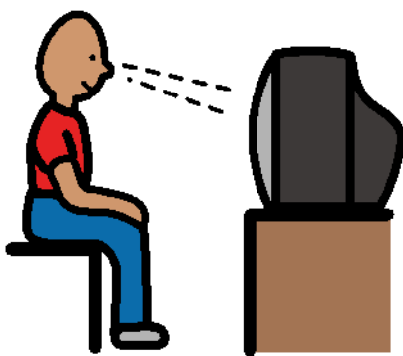

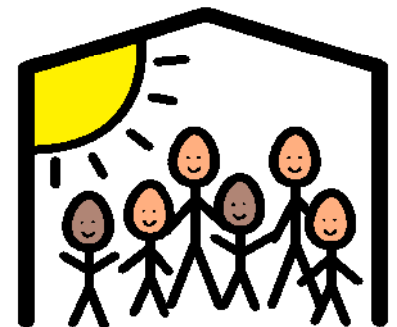

Usually a grown up will help me put
on my glasses.

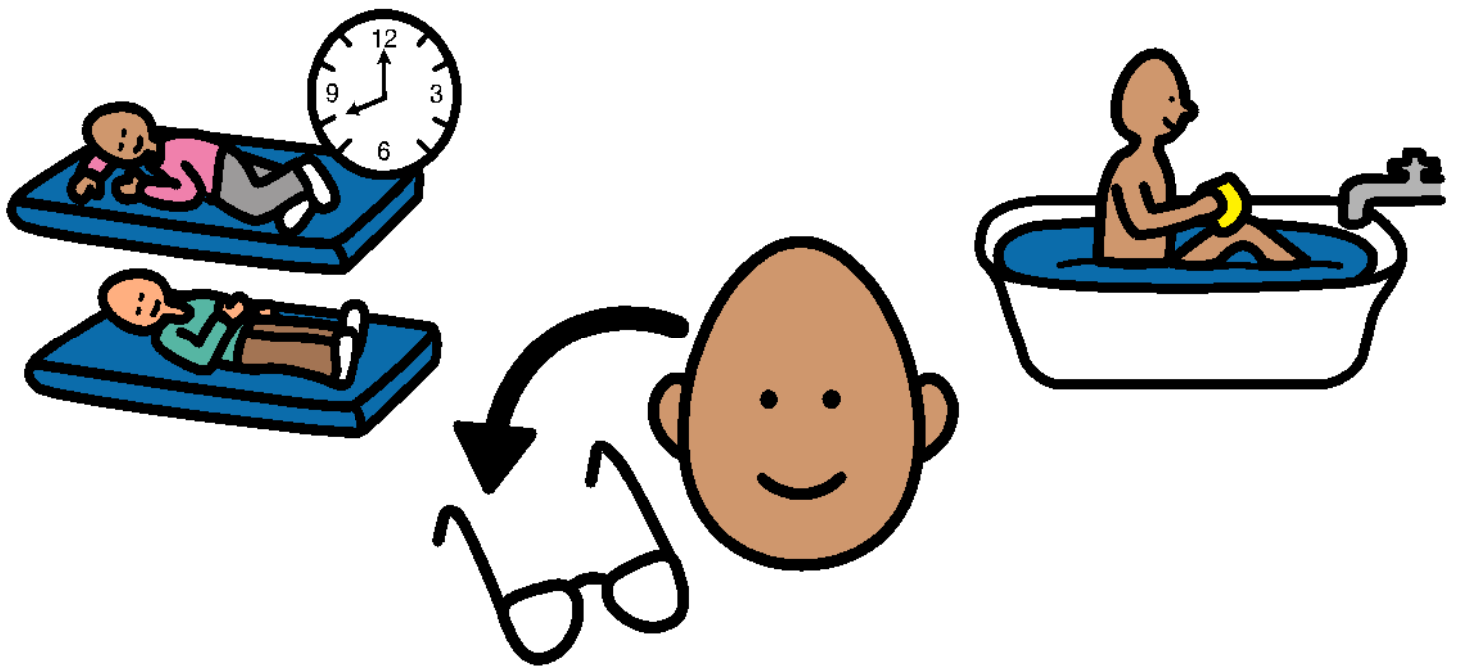

4

It is not ok to take off my glasses by myself.

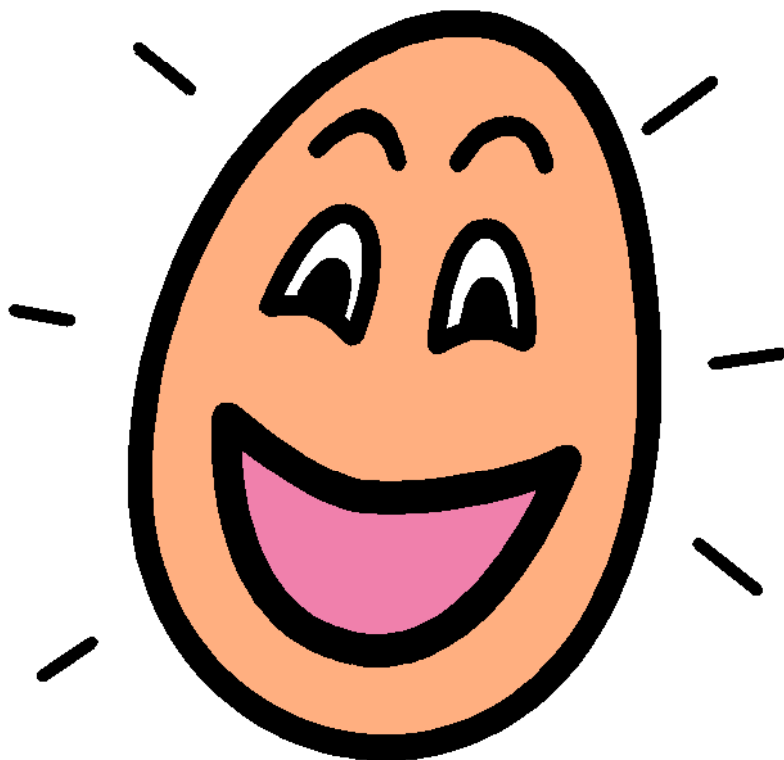

I wear my glasses to play, watch tv, go to kinder or for something else.

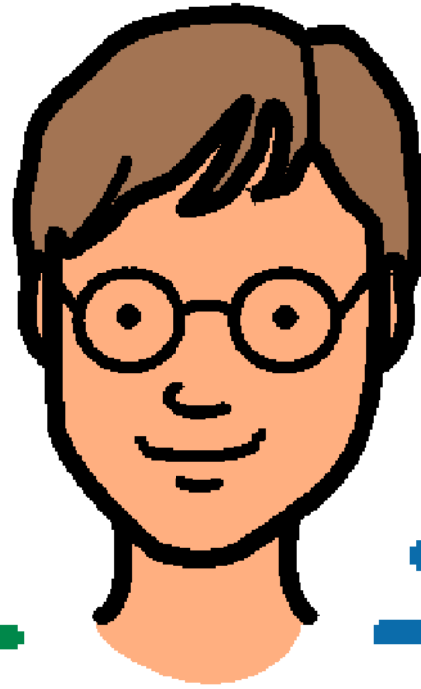

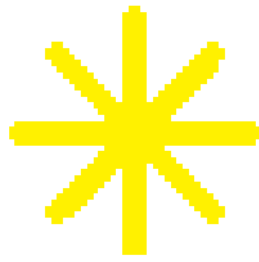

When it is time for me to have a sleep
or a bath, a grown up will help take my
glasses off.

6

Mum and Dad are really happy when
I wear my glasses.

8

It is great to wear my glasses
every day.
