

My Body Is Private.

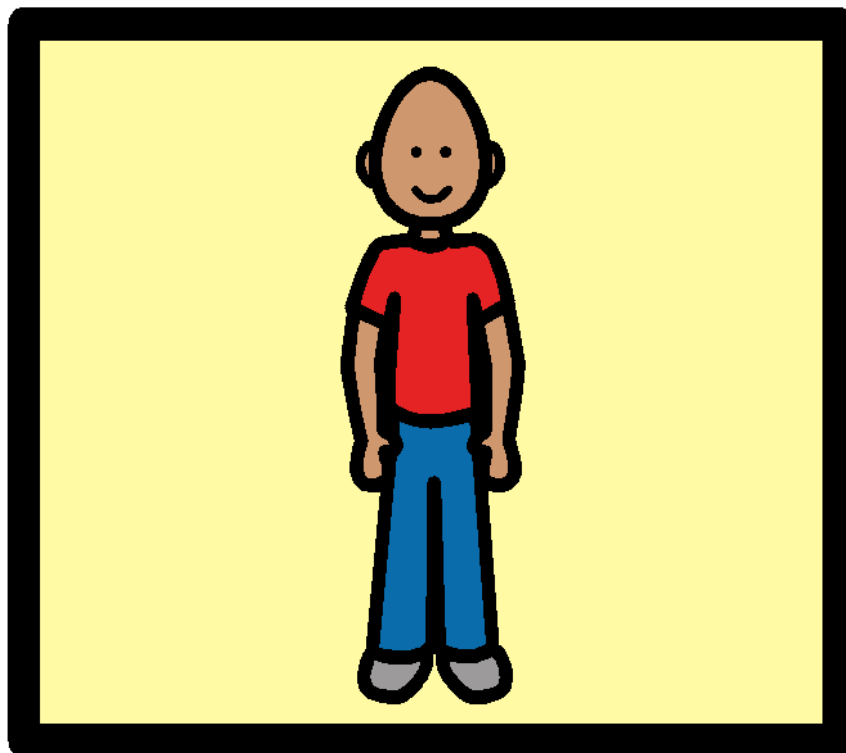

I wear clothes on my body to keep me warm and protect me. Wearing clothes helps to keep my body private.

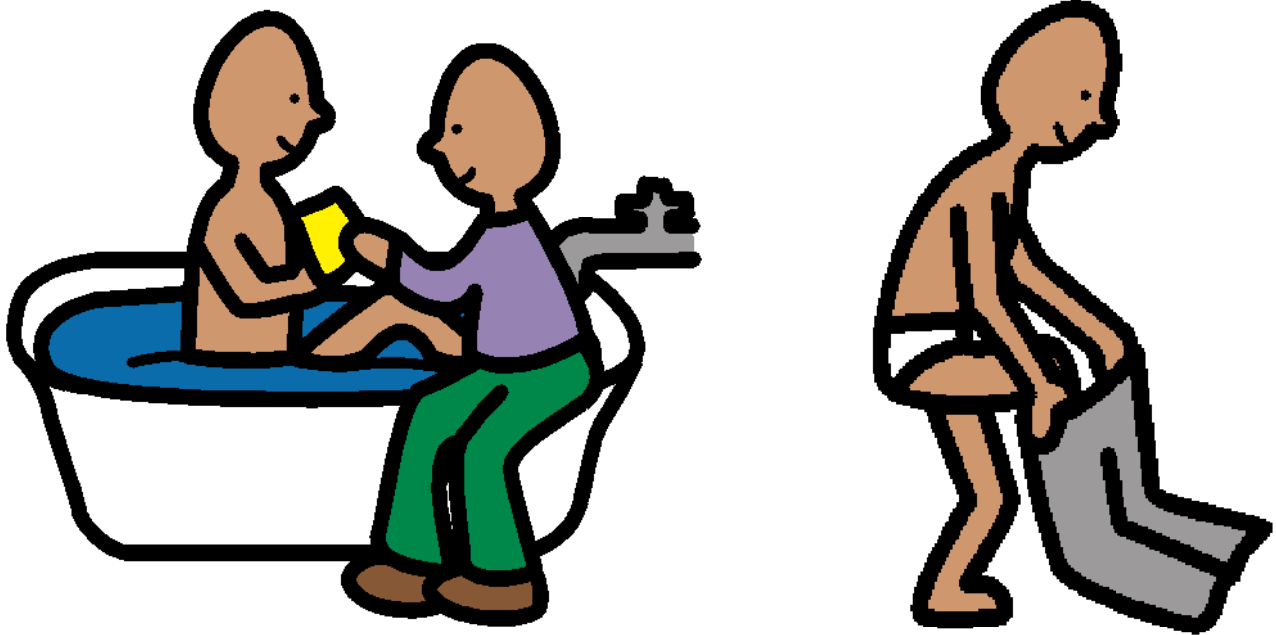

My body is special. It helps me run and jump,  
eat, and play.

2

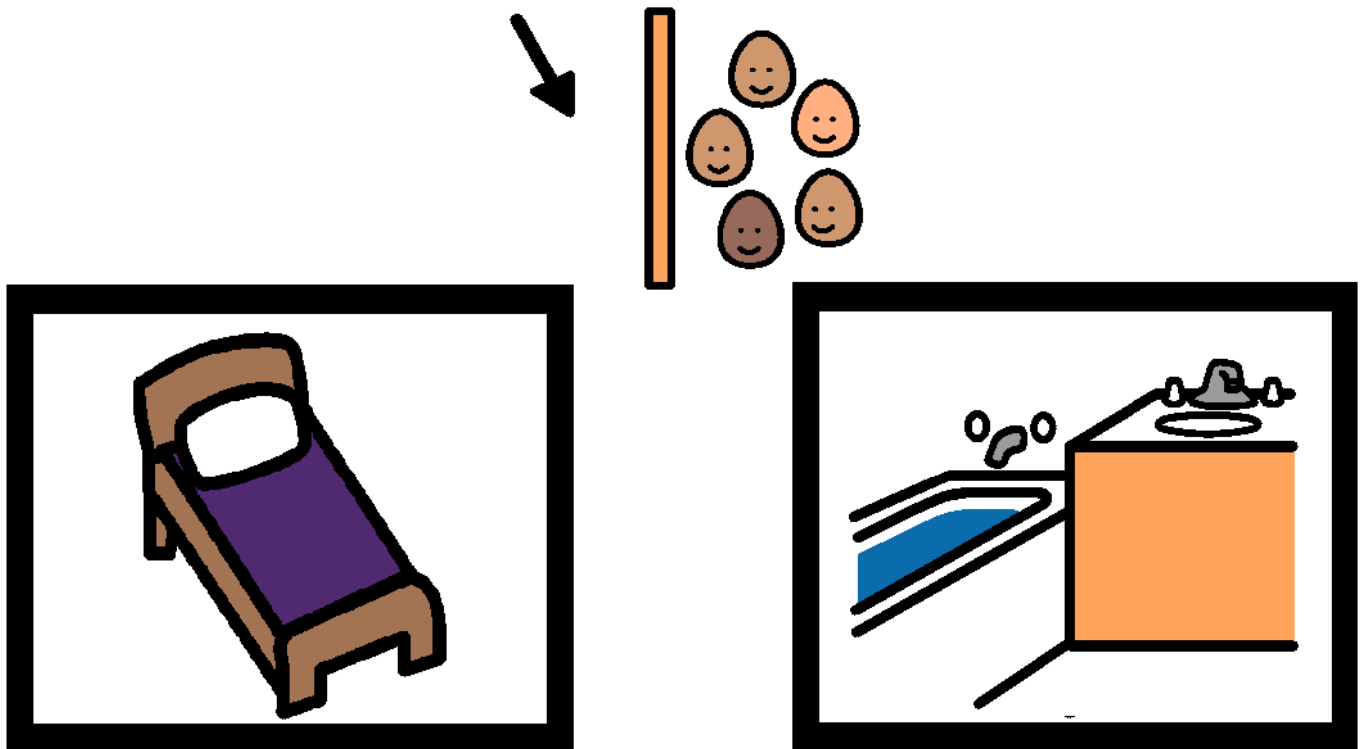

'Private' means that my body is just for  
me to touch and look at.

4

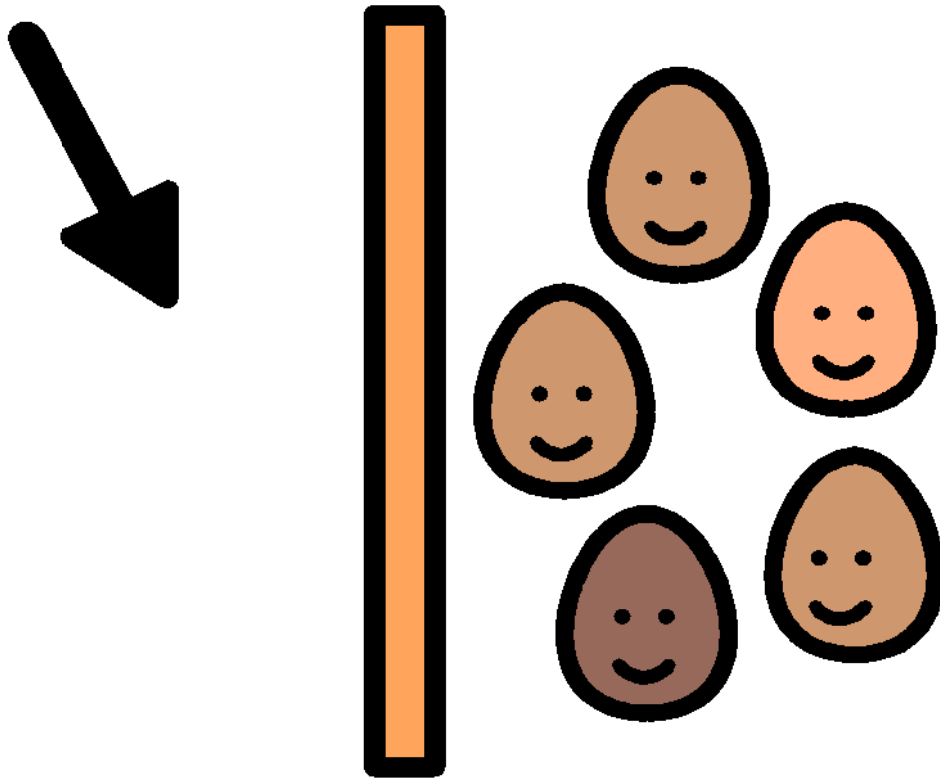

Sometimes I need Mum or Dad to help me wash and get dressed. This is ok.

5

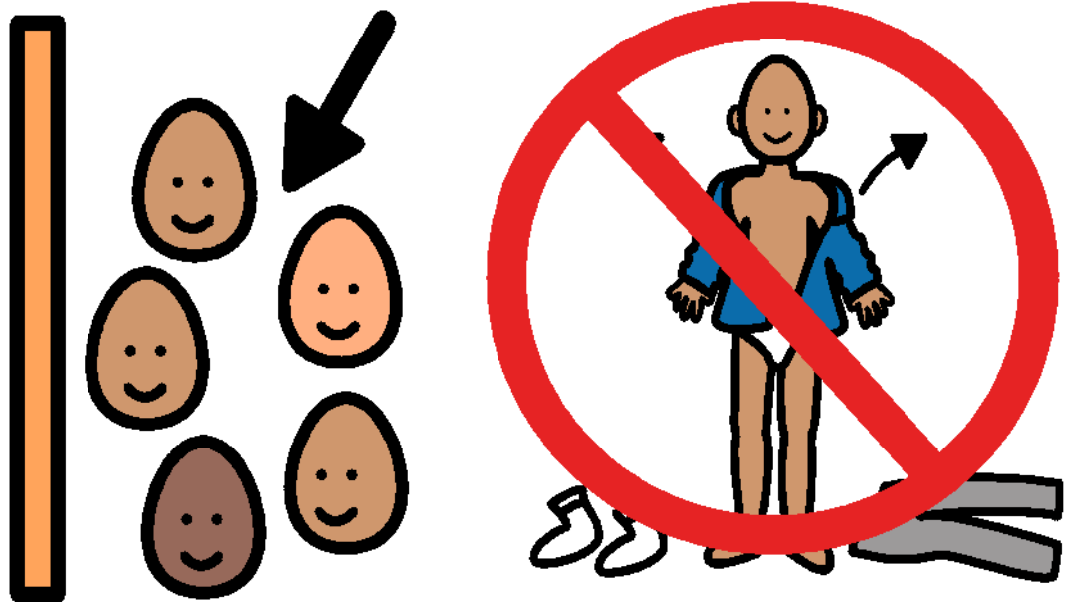

The bathroom and my bedroom are Private places that are good for getting dressed and washing.

7

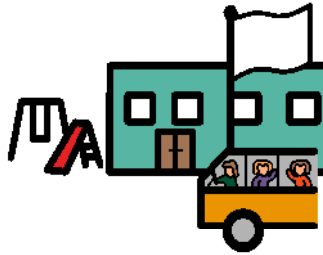

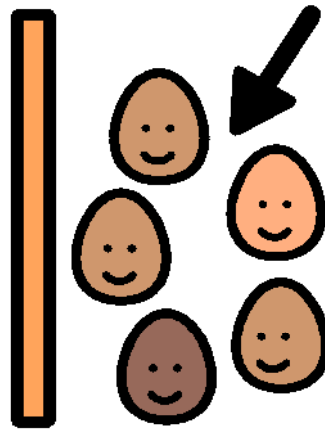

When I wash or get dressed, I need to go to a Private place.

6

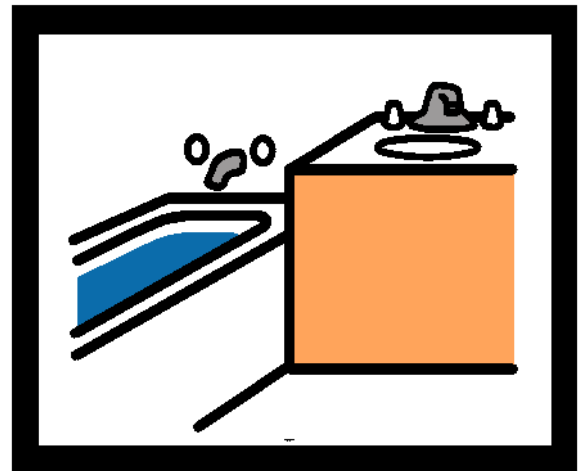

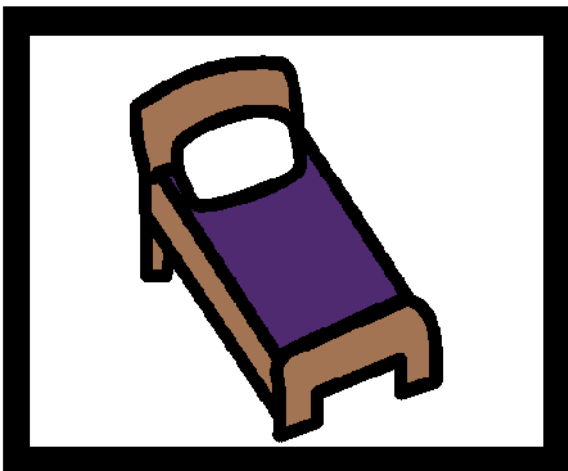

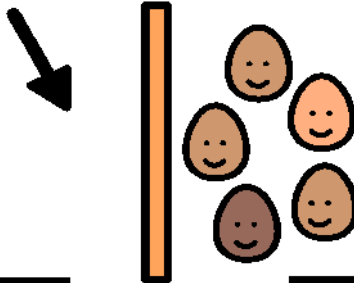

It is not ok to dress or undress in public.  
Public means a place where other people  
are around me.

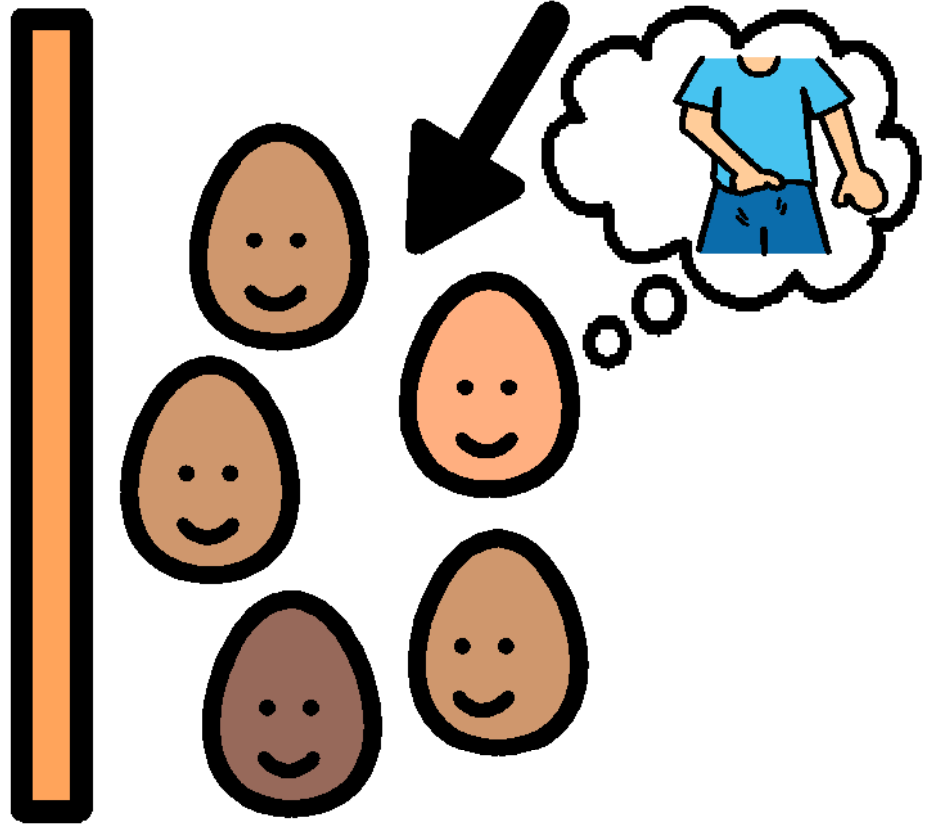

8

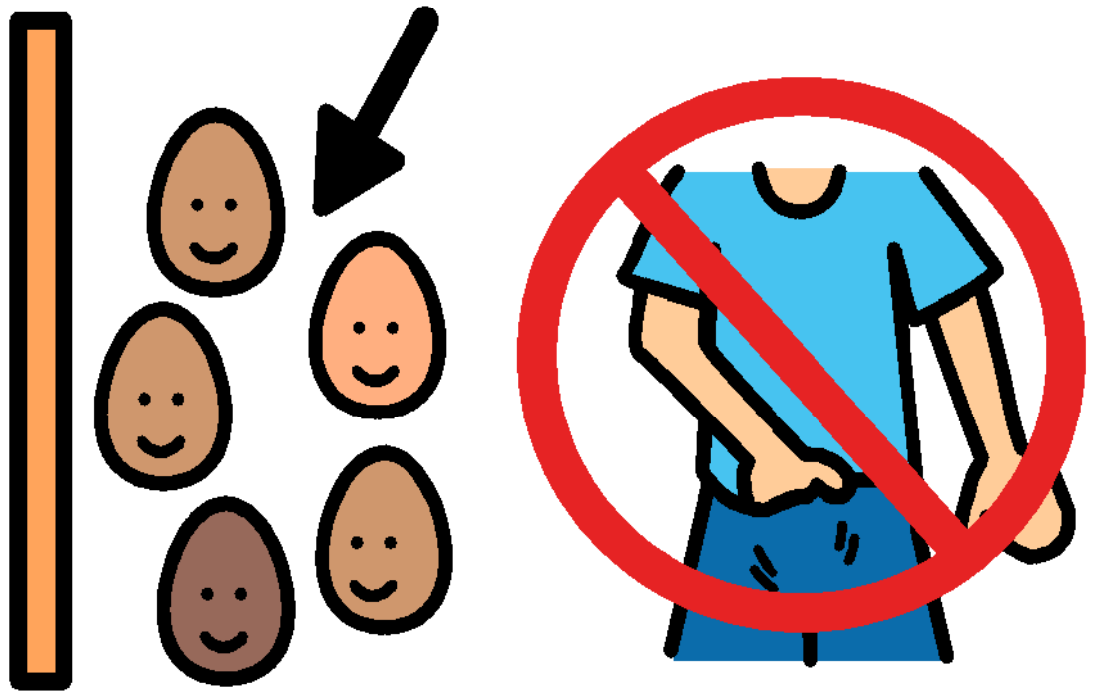

Public could be at kinder, at school, or at home.

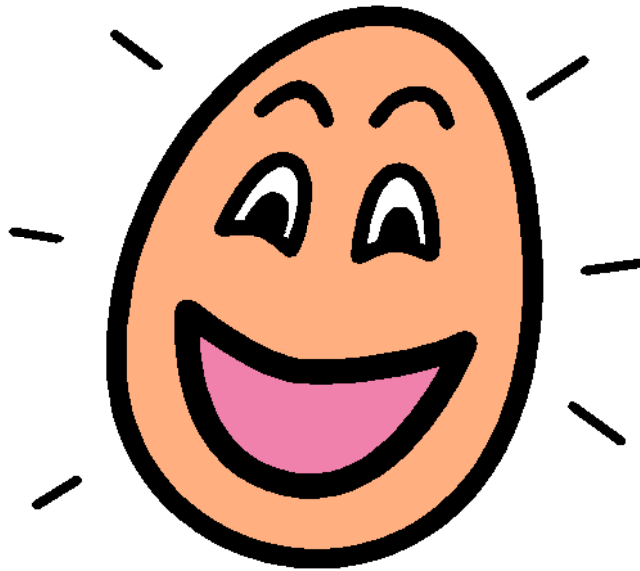

When I feel like touching my penis, I need to go to my Private place.

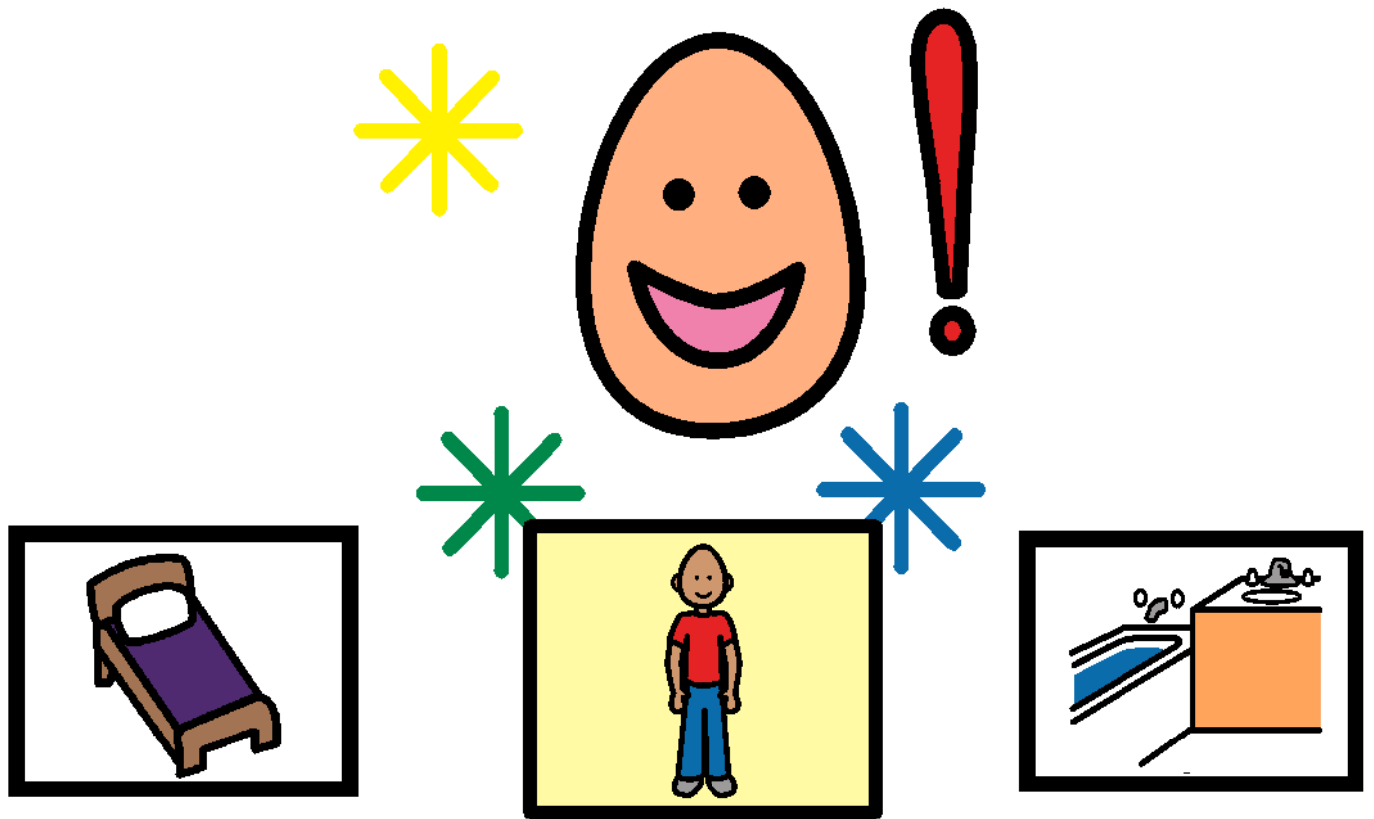

Sometimes when I am in Public, I feel like touching my penis.

It is not ok to touch my penis when I am in Public.

When I keep my body Private and use my  
Private place, Mum is very happy.

It is great to keep my body private and use my private places.
