

I CAN TAKE MY MEDICINE

Sometimes, I can't go to kinder because I feel sick.

I like going to kinder and playing
with my friends.

2

I might have a sore throat, or a cough, or I
might feel sick in the stomach.

4

When I feel sick, Mum or Dad usually takes me to see the doctor.

5

Sometimes, the doctor needs to give me medicine to help me get better. This is ok.

7

Sometimes, the doctor says I just need to rest until I feel better.

The medicine the doctor gives me is a special medicine for coughs and colds.

This medicine will not make me feel sick.
It will help me get better faster.

9

When I take my medicine, I will feel better
soon. Then I can go back to kinder and play
with my friends.

11

I might need to drink my medicine from a cup
or take a tablet with a drink of water.
