

SOMETIMES I CAN'T DO THE THINGS I WANT

I like to play with my toys. I like to play outside. I like to go to kinder.

There are lots of things I like to do.

Sometimes Mum and Dad or my teacher asks me to do things I don't like.

4

They could ask me to pack up my toys.

5

They could ask me to do something for them.

7

They could ask me to finish what I am doing.

6

Sometimes I don't want to do the things they ask and I feel angry.

8

Even when I don't want to do these things, I should stay calm, listen and do what they ask.

9

When I don't do what I am asked, I could miss out on doing other fun things.

11

It is important to do what Mum and Dad or my teacher ask because they want to keep me safe and help me learn new things.

Or hurt myself.

When I do what I am asked, everyone is happy.

I can do the things I like another time.
