

SOMETIMES THINGS DON'T GO
THE WAY I WANT.

At school, I like to do things the same way
every day.

I like to go to school to learn new things.

I hang my bag up on the same hook. I know who has show and tell each day.

I follow the timetable that my teacher sets for my class.

I might forget to bring my jumper or my reader to school.

Sometimes things don't go the way I want.
This is ok.

I might not get to choose the partner I want
for an activity.

My teacher might be away.

When I feel worried or cross I can do something to make myself feel better.

When things don't go the way I want, I feel worried or cross.

I can take 3 deep breathes. I can go to a quiet place to calm down.

I can say "That's ok. I can do things differently today."

Then I can keep learning and playing with my friends at school.

When things don't go the way I want, it's great to stay calm and get on with my day.
